

Dear American Society for Quality (ASQ):

I firstly would like to thank you for rewarding my hard work with the savings bond that I was rewarded. There is almost no greater feeling in this world than to have someone besides you recognize and appreciate the work you've done. It is with of great regret that I will be unable to attend the dinner event you have planned and invited me to; due to a previous engagement. If per chance you plan another meeting I would feel more than obliged to attend. Please keep me in contact with information and updates in regards to further meetings.

Grateful for the Opportunity
